Re: *Trillium Cellular and MJ Cellular E-911 Phase II Implementation Reports*
Call Signs KNKN664 and KNKN656

Dear Mr. Forster:

Per our conversation on March 14, 2001, Dobson Cellular Systems, Inc. ("Dobson") is the current licensee for stations KNKN664 and KNKN656. Dobson timely filed its Phase II E-911 implementation report with the Commission on November 9, 2000.

Through an assignment of license consummated on November 11, 2000, station KNKN664 was assigned from MJ Cellular to Dobson. Similarly, through an assignment consummated on March 8, 2000, station KNKN656 was assigned from Trillium Cellular to Dobson. Dobson is now the licensee for these call signs but is not affiliated with MJ Cellular or Trillium Cellular.

If you have any additional question, please feel free to contact us.

Sincerely,

WILKINSON BARKER KNAUER, LLP
